Circulation Management Software for Community Newspapers

## SUBSCRIBER CARE • DELIVERY MANAGEMENT • BUSINESS REPORTING

You work hard to keep your community up-to-date on local events, festivals and news, and you want to make sure you get your paper into your subscribers' hands right on time.

*That's where we come in.*

Interlink Circulation ensures you receive the best postage rates, better delivery, and less time spent dealing with homegrown software or generic mailing tools.

Learn more about why Interlink is the most widely used newspaper-circulation system in America. We can't wait to show you what our customers have known for years.
