

INTERLINK

A better way to mail your newspaper

Who is Interlink?

As the most widely used newspaper-circulation system in America, Interlink is dedicated to helping your community newspaper navigate the postal system so you can stop overpaying for postage and get better delivery.

What can Interlink do for your newspaper?

Interlink's newspaper-specific software helps you manage all your circulation needs, providing you with powerful features like Smart Sampling™, PAVE-Certified plus CASS processing and more than 75 ready-to-use reports.

Why do our customers choose Interlink?

Interlink is a quick and easy switch that will give you the tools to take control of subscription management and circulation building. Plus, our friendly customer care team will provide you with expert guidance if you ever need answers.

Give us a call – we can't wait to show you all the ways we can help.
